

IPRoMM 2026

4th International and 16th National Conference on Industrial Problems on Machines and Mechanisms

December 20-22, 2026

Amrita Vishwa Vidyapeetham, Bengaluru, India

First Call for Papers

IPRoMM (Industrial Problems on Machines and Mechanisms) conference is one of the flagship conferences organized under the aegis of the Association for Machines and Mechanisms (AMM), which is a member organization of the International Federation for the Promotion of Mechanism and Machine Science (IFTToMM).

The 4th International and 16th IPRoMM is being organized by Amrita School of Engineering, Amrita Vishwa Vidyapeetham, Bengaluru, India, on December 20-22, 2026.

This conference aims to bring out the problems faced by industries in the fields of mechanisms and machine sciences, and also the solutions developed to overcome them by academia, industry or through their collaborations.

Full-length Papers and Posters-cum-Presentations

The conference invites unpublished research work as full-length papers, and development work as posters-cum-presentations, focussed on industrial problems. The topics of interest include, but are not restricted to, the following:

- Analysis and Synthesis of Mechanisms
- Bio-medical Applications of Mechanisms
- Compliant, Foldable, and Deployable Mechanisms
- Dynamics, Control and Vibration Analysis of Multibody Systems
- Geometry, Kinematics and Topological Analysis
- Manufacturing and Assembling of Mechanisms
- Micro- and Nano-Machines and Mechanisms
- Optimal Design of Machines and Mechanisms
- Precision Engineering for Mechanisms
- Product Development using Mechanisms
- Reliability in Machines and Mechanisms
- Robotics
- Rural and Agricultural Applications
- Textile and Clothing Technologies
- Tribology

All accepted papers (satisfying publishing requirements) shall be indexed in Scopus

Industry-Academia Workshops

Workshops supported by the industrial partners will be conducted ahead of the conference, where academicians and industry personnel will gather to discuss problems and attempt to solve them. Selected outcomes may be submitted to the conference.

Tutorials

Tutorials aimed at improving the conceptual understanding and application of tools related to mechanisms and machine sciences will be organized during the event.

Keynote Lectures

Renowned academicians, researchers, and industry personnel, who have synergy in the industry-academia collaborations, will be invited to deliver keynote lectures.

Registration*

Indian Delegates

Govt. & Academic Institutes	: Rs. 9,000
Industries	: Rs. 11,000
Students	: Rs. 4,500

Discount for

AMM-ISME-TRS members	: Rs. 1,000
----------------------	-------------

International Delegates

Academic & Industries	: USD 350
Students	: USD 200

Discount for IFTToMM members: USD 50

Important Dates

Full-length Paper

- Submission: June 30, 2026
- Decision: September 30, 2026
- Camera Ready: October 31, 2026

Poster-cum-Presentation

- Submission: September 30, 2026
- Decision: October 15, 2026
- Camera Ready: October 31, 2026

Patron

Sriram Devanathan
Principal, Amrita School of Engineering, Amrita Bengaluru

General Chairs

Rajeevlochana G. Chittawadigi, Amrita Bengaluru
Shivesh Kumar, Chalmers Univ. of Technology, Sweden

Publication Chairs

Subir Kumar Saha, IIT Delhi
Sandipan Bandyopadhyay, IIT Madras
Ravi Kumar V., Amrita Bengaluru

International Liaison Chairs

Ramana Vinjamuri, UMBC, USA
Makoto Iwamura, Fukuoka Univ., Japan
Abdullah Aamir Hayat, UAE Univ., UAE

R&D Liaison Chairs

Kiran Akella, R&DE(E), DRDO Pune
Manoj Reddy, USRC, ISRO Bengaluru

Industry Liaison Chairs

Pranav Lad, MathWorks India
Aravind R., JANATICS India
Viinod Atpadkar, SVR Robotics

Entrepreneurial Liaison Chair

Sangita Garg, IHFC-IIT Delhi

Publicity & Sponsorship Chairs

Sunil Jha, IIT Delhi
Suril V. Shah, IIT Jodhpur
Sudhir Patnaik, Amrita Bengaluru

Advisory Committee

Aik-Siong Koh, AR-CAD LLC, USA
Amarnath C., IIT Bombay (Retd.)
Ananthasuresh G. K., IISc Bangalore
Andres Kecskemethy, Univ. of Duisburg Essen, Germany
Ashitava Ghosal, Ahmedabad Univ.
Asokan T., IIT Madras
Balakrishnan Shankar, Amrita Kollam
Dibakar Sen, IISc Bangalore
Gopalakrishnan E. A., Amrita Bengaluru
Jayakumar V., Amrita Chennai
Jayanth G. R., IISc Bangalore
Kurien Isaac, IIST Thiruvananthapuram (Retd.)
Prakash K. R., NIE Mysuru
Prasanna Gandhi, IIT Bombay
Pushparaj M. Pathak, IIT Roorkee
Rajesh K. Megalingam, Amrita Kollam
Rama Krishna K., IIT Delhi
Rameshkumar K., Amrita Coimbatore
Satinder Paul Singh, IIT Delhi
Safvan Palathingal, IIT Hyderabad
Sreekumar M., IIITDM Kancheepuram
Sudipto Mukherjee, IIT Delhi
Vijay Kumar Gupta, IIITDM Jabalpur
Vineet Vashista, IIT Gandhinagar

*Taxes and charges are applicable

Supported by:

- Austrian Committee for the Promotion of Mechanism and Machine Science
- IFTToMM Member Organization Germany
- IFTToMM Technical Committee on Computational Kinematics
- IFTToMM Technical Committee on Micromachines
- IFTToMM Technical Committee on Robotics and Mechatronics
- Indian Society of Mechanical Engineers
- The Robotics Society (India)
- Turkish Machine Theory Association
