

IPRoMM 2026

4th International and 16th National Conference on Industrial Problems on Machines and Mechanisms

December 20-22, 2026

Amrita Vishwa Vidyapeetham, Bengaluru, India

Second Call for Papers

IPRoMM (Industrial Problems on Machines and Mechanisms) conference is one of the flagship conferences organized under the aegis of the Association for Machines and Mechanisms (AMM), a member organization of the International Federation for the Promotion of Mechanism and Machine Science (IFTToMM).

The 4th International and 16th IPRoMM is being organized by Amrita School of Engineering, Amrita Vishwa Vidyapeetham, Bengaluru, India, on December 20-22, 2026.

This conference aims to bring out the problems faced by industries in the fields of mechanisms and machine sciences, and the solutions developed to overcome them by academia, industry or through their collaborations.

Full-length Papers and Posters-cum-Presentations

The conference invites unpublished research work as full-length papers, and development work as posters-cum-presentations, focussed on industrial problems. The topics of interest include, but are not restricted to, the following:

- Analysis and Synthesis of Mechanisms
- Bio-medical Applications of Mechanisms
- Compliant, Foldable, and Deployable Mechanisms
- Dynamics, Control and Vibration Analysis of Multibody Systems
- Geometry, Kinematics and Topological Analysis
- Manufacturing and Assembling of Mechanisms
- Micro- and Nano-Machines and Mechanisms
- Optimal Design of Machines and Mechanisms
- Precision Engineering for Mechanisms
- Product Development using Mechanisms
- Reliability in Machines and Mechanisms
- Robotics
- Rural and Agricultural Applications
- Textile and Clothing Technologies
- Tribology

Conference Proceedings

It is planned to publish the peer-reviewed and selected papers of conference as proceedings with Springer. For detailed instructions for author and editors of conference proceedings, kindly visit the following link:

<https://www.springer.com/us/authors-editors/conference-proceedings>.

Select papers from the conference will be published by Springer as a proceedings book volume. Springer will conduct additional quality checks on the accepted papers and only papers that pass these checks will be published.

Keynote Lectures

Renowned academicians, researchers, and industry personnel, who have synergy in the industry-academia collaborations, have been invited to deliver keynote lectures.

Industry-Academia Workshops

Workshops supported by the industrial partners will be conducted ahead of the conference, where academicians and industry personnel will gather to discuss problems and attempt to solve them. Selected outcomes may be submitted to the conference.

Tutorials

Tutorials aimed at improving the conceptual understanding and application of tools related to mechanisms and machine sciences will be organized during the event.

Registration*

Indian Delegates

Govt. & Academic Institutes	: Rs. 9,000
Industries	: Rs. 11,000
Students (full-time)	: Rs. 4,500
Discount for AMM-ISME-TRS members	: Rs. 1,000

International Delegates

Academic & Industries	: USD 350
Students (full-time)	: USD 200
Discount for IFTToMM members	: USD 50

*Taxes and charges are applicable

Important Dates

Full-length Paper	
Submission	June 30
Decision	Sept. 30
Camera Ready Submission	Oct. 31
Poster-cum-Presentation	
Submission	Sept. 30
Decision	Oct. 15
Camera Ready Submission	Oct. 31

IFTToMM offers support for young international delegates to participate in IPRoMM 2026 through Young Delegate Program (YDP).

Earlier proceedings of IPRoMM conferences through Springer have been indexed in Scopus.

Patrons from Amrita Vishwa Vidyapeetham

Pro-Vice Chancellor: Maneesha V. Ramesh
Dean Engineering: Sasangan Ramanathan
Director (Bengaluru Campus): Manoj P.
Principal (ASEB): Sriram Devanathan

General Chairs

Rajeevlochana G. Chittawadigi, Amrita Bengaluru
Shivesh Kumar, Chalmers Univ. of Technology, Sweden

Publication Chairs

Sandipan Bandyopadhyay, IIT Madras
Subir Kumar Saha, IIT Delhi

International Liaison Chairs

Abdullah Aamir Hayat, UAE Univ., UAE
Makoto Iwamura, Fukuoka Univ., Japan
Ramana Vinjamuri, UMBC, USA

R&D Liaison Chairs

Kiran Akella, R&DE(E), DRDO Pune
Manoj Reddy, USRC, ISRO Bengaluru

Industry Liaison Chairs

Aravind R., JANATICS India
Pranav Lad, MathWorks India
Viinod Atpadkar, SVR Robotics

Entrepreneurial Liaison Chair

Sangita Garg, IHFC-IIT Delhi

Publicity & Sponsorship Chairs

Sudhir Patnaik, Amrita Bengaluru
Sunil Jha, IIT Delhi
Suril V. Shah, IIT Jodhpur

Local Organizing Committee Chair

Ravi Kumar V., Amrita Bengaluru

Advisory Committee

Aik-Siong Koh, AR-CAD LLC, USA
Amarnath C., IIT Bombay (Retd.)
Ananthasuresh G. K., IISc Bangalore
Andres Kecskemethy, Univ. of Duisburg Essen, Germany
Ashitava Ghosal, Ahmedabad Univ.
Asokan T., IIT Madras
Balakrishnan Shankar, Amrita Kollam
Dibakar Sen, IISc Bangalore
Gopalakrishnan E. A., Amrita Bengaluru
Jayakumar V., Amrita Chennai
Jayanth G. R., IISc Bangalore
Kurien Isaac, IIST Thiruvananthapuram (Retd.)
Prakash K. R., NIE Mysuru
Prasanna Gandhi, IIT Bombay
Pushparaj M. Pathak, IIT Roorkee
Rajesh K. Megalingam, Amrita Kollam
Rama Krishna K., IIT Delhi
Rameshkumar K., Amrita Coimbatore
Satinder Paul Singh, IIT Delhi
Safvan Palathingal, IIT Hyderabad
Sreekumar M., IIITDM Kancheepuram
Sudipto Mukherjee, IIT Delhi
Vijay Kumar Gupta, IIITDM Jabalpur
Vineet Vashista, IIT Gandhinagar

Supported by:

- [Austrian Committee for the Promotion of Mechanism and Machine Science](#)
- [IFTToMM Member Organization Germany](#)
- [IFTToMM Technical Committee \(TC\) on Computational Kinematics](#)
- [IFTToMM TC on Micromachines](#)
- [IFTToMM TC on Robotics and Mechatronics](#)
- [Indian Society of Mechanical Engineers](#)
- [The Robotics Society \(India\)](#)
- [Turkish Machine Theory Association](#)
